## Section 1: Your Employment at Taco Bell

---

**Introduction:** TACO BELL® follows an At-Will Employment Policy.

### Definition of At-Will Employment

“At-will employment” means that the employer or employee may terminate an employment relationship at any time with or without cause or prior notice provided the termination does not violate federal, state, or local laws. Full-time, part-time, temporary, and other Team Members are considered “employees at-will.”

### Giving Notice of Termination

Restaurant employees are not required to give notice of termination. However, TACO BELL restaurant employees as a courtesy should notify their RGM at least two weeks before they plan to terminate employment.

### Who Has Authority Over Employment

The Chief CEO is the only position at TACO BELL with the authority to:

- Enter into any agreement for employment for any specified period of time.
- Change any of the At-Will Employment Policy.

**Note: No other officer, manager or representative of TACO BELL may waive the terms and requirements of the At-Will Employment Policy.**

### Right to Change Employment Conditions

TACO BELL may do the following with or without notice:

- Demote a restaurant employee.
- Transfer a restaurant employee.
- Change a restaurant employee’s hours.
- Change a restaurant employee’s compensation at any time.

TACO BELL always tries to accommodate all restaurant employees’ needs but reserves the right to change employment conditions for the good of the business.

## Equal Employment Opportunity (EEO)

*Taco Bell is committed to preserving an employment environment free from all discrimination, and will not tolerate any discrimination based upon race, gender, color, religion, national origin, ancestry, age, mental or physical disability, sexual orientation, pregnancy, marital status, or veteran status. This policy applies to all personnel actions, including hiring, compensation, benefits, scheduling, transfers, promotions, career development, training, discipline, and discharge decisions. Taco Bell and its employees will obey all federal, state and local equal employment opportunity laws.*

*Applicants and employees are also protected from intimidation, discrimination, and other forms of retaliation for filing complaints of discrimination, assisting in an investigation of alleged discrimination, or opposing any employment practice that is believed to be discriminatory or illegal.*

*Employees who engage in discrimination toward customers, vendors, or other employees are subject to disciplinary action up to and including discharge.*

AGM	<ul style="list-style-type: none"> <li>• Comply with this policy.</li> <li>• Investigate policy violations at the GM's direction.</li> </ul>
Shift Lead and Team Members	<ul style="list-style-type: none"> <li>• Comply with this policy.</li> </ul>

### Employment of Authorized Workers

It is Taco Bell's policy to comply with all federal and state laws governing the employment of authorized workers, including the Immigration and Reform Control Act of 1986 (IRCA), which requires employers to verify work eligibility of employees by: 1) examining their identification documents and 2) ensuring timely and correct completion of Form I-9.

The I-9 Form must be completed on or before the employee's first day of work, and only after an offer of employment has been accepted. It may not be used as a screening tool for job applicants.

Taco Bell does not hire, or knowingly continue to employ individuals who do not have authorization to work in the U.S. Taco Bell also does not continue to employ individuals who provided fraudulent documents or falsified the I-9 Form upon hire, even if the person has since become legally authorized to work.

RGMs at Taco Bell are responsible for the correct completion of the I-9 Form, including a careful review of the original documents presented by the employee.

RGMs will be held accountable for any issues/violations of the policy including those listed below:

- Failing to follow the I-9 Compliance Process, including timely completion and submission of the I-9 Form for auditing and SSN verification
- Knowingly hiring individuals who are not authorized to work. This includes actual knowledge, or acceptance of questionable, false or inaccurate documentation, or ignoring reasonable information that the employee is unauthorized to work
- Continuing to employ individuals who the manager is aware are working without legal authorization
- Allowing someone to work under another person's identity
- Requiring I-9s to be completed by applicants before an offer of employment has been accepted
- Allowing individuals to change their identity or social security number. Any such requests should be immediately reported to the appropriate payroll or I-9 Specialist for further direction

Taco Bell takes seriously its' obligation to employ individuals who are legally authorized to work. Any manager who knowingly hires, or knowingly continues to employ individuals who are not legally authorized to work, will be terminated. Other violations of the policy, including a failure to complete the I-9 Form on or before an employee's first day of work, will result in disciplinary action, up to and including termination of employment.

*Questions? Please contact your I-9 Specialist.*

## Work Schedules & Reporting Your Hours Worked

---

### Read Posted Work Schedule

Each workweek begins on a Wednesday and ends on a Tuesday. The RGM prepares and posts a work schedule every Thursday for the upcoming workweek. Your manager will show you:

- Where the schedule is posted
- How to read the schedule

### Reporting Hours

You are responsible for reporting your hours by:

- Clocking in and clocking out when you begin working and when you finish working.
- Or, if applicable,
  - Using the “Break/In” and “Break/Out” key when taking rest breaks.
  - Using the “Out/In” keys when taking unpaid meal periods.

### Working Overtime

Before you work overtime, ask your manager for approval. When you work overtime, you will be paid at a premium rate according to federal and state laws.

### Mistakes

Immediately tell your RGM about mistakes in hours reporting or contact payroll in the office.

### Get Approval for Time Off

Your RGM must approve time off. Give your request to your RGM at least one week before the work schedule is posted.

### Pay Period Rule

Employees absent for an entire pay period will be deactivated and will receive a new hire date upon return. All benefits will re-start and begin on the new start date. This policy will take effect only after an employee’s leave benefits have been exhausted.

Family & Medical Leave, floating holiday benefits & vacation benefits provide eligible employees time off for either emergency or leisure reasons.

### Leave Requests

Leave requests must be made in writing – ask your manager for a Leave Request form and submit to the Human Resources Department in the office.

## Rules for Rest Breaks, Meal Periods & Discounted Meals

---

**Introduction:** Everyone needs and deserves a rest break or meal period when working. TACO BELL® wants you to feel refreshed and productive while you work by following a few simple rules.

### When to Take Breaks

According to state laws and regulations, you are entitled to rest breaks and meal periods depending upon:

- Your age
- The number of hours you work each day

In the absence of state law, TACO BELL policy is to provide employees with reasonable opportunities for breaks during the workday. Breaks will be provided at the manager's discretion based upon the flow of business in the restaurant.

**Note: In every state, all breaks of less than 30 minutes must be paid.**

Ask your manager to show you the posted TACO BELL Rest Break and Meal Period Matrix in your restaurant.

### Where to Take Breaks

You must take your rest breaks and meal periods away from:

- The food production area.
- The cash register service area.

### Rules for Discounted Meal Items

When you work a shift, you may eat one (1) 100% discounted meal up to \$6.00 (pre-tax).

Follow these rules:

- You can receive your meal immediately before, during or after your shift.
- You must eat your meal in the restaurant.
- You must go to the front counter and place your order as a Guest.
- You and your manager must sign the register receipt and place the signed receipt in the cash register drawer.

### Rules for Beverages

Beverages are free to all restaurant employees during their work shift. You must drink beverages away from workstation areas. Pre-packaged drinks such as milk, orange juice and bottled water should be rung up because they are inventoried items.

**Note: Drink cups are not permitted in work areas.**

## 401K Retirement Plan

---

We value your contribution to the success of ColCal, Inc. and we believe that it's important to help you achieve your retirement goals. That's why we are excited to offer you a 401(k)-retirement savings vehicle. A 401(k) plan is perhaps one of the best available retirement savings options.

To help you achieve your retirement goals more quickly, ColCal, Inc. will match 100% of the money you contribute to the plan, up to a maximum of 4% of your annual salary.

Like any savings plan, the sooner you start contributing to your 401(k) the better off you'll be. The compounding that takes place over time can have a significant impact. Even a small contribution can make a big difference in your retirement lifestyle.

To qualify for the 401k program, you must meet three minimum requirements:

- Over 21 years of age.
- One year of continuous service.
- 1000 hours in the previous 12-month period.

Upon meeting the above criteria, you will be auto enrolled into the 401(k) Retirement Plan. If you prefer not to participate in the program you may opt out at any time. Your contribution is automatically deducted from your salary at each pay period, making it easy to set aside money for retirement. You only pay income tax when you withdraw money. Your contributions are made on a pre-tax basis, meaning you immediately reduce the salary you pay taxes on. Additionally, any gains your investment achieves are tax deferred. This can lead to a significant accumulation of retirement funds. Roth deferrals are also available.

Our 401(k)-service provider offers daily performance reporting and transactions anytime you need them via an interactive website. They also provide easy-to-read statements and helpful education materials for your convenience.

You work hard for ColCal, Inc. and we want to make sure you have the retirement you deserve.

## Our “One Team” Philosophy

---

Our company prefers to deal with people directly, rather than through a representative. Our policies and programs are specifically designed to meet the needs of employees by providing a positive environment where each employee enjoys the maximum opportunity for open communication, conflict resolution, job satisfaction and job advancement based on skill and effort.

Considerable thought and commitment have gone into the development of our style of management. Employees deal directly with management on all issues here with complete freedom to think and speak for themselves and are rewarded for their individual merit and achievements. We are committed to treating our employees respectfully and fairly, and we do so without monthly dues, the threat of strikes, arguments, or artificially created tensions which too often result when outside representation is involved.

Simply put, our philosophy has always been that we will respect our employees, their desires and needs, whatever they may be, and we do not feel that a union is necessary at our company.

## Section 3: Policies Team Member Code of Conduct

---

At Taco Bell we believe in creating a positive environment for our employees and guests. We insist that everyone demonstrate the “Taco Bell Way” by following a few basic work rules which we have outlined below. All work rules apply when you are on Taco Bell property regardless if you are working, visiting, or are on break. Some rules of conduct apply to behaviors that happen away from the job. If you want more information on our rules contact your RGM, Area Coach, or Human Resources. Any infraction of the Code is grounds for disciplinary action up to and including termination.

### The Golden Rule

Always treat others the way you want to be treated.

### Equal Employment Opportunity

Taco Bell is an equal opportunity employer. We apply our work rules and employment practices consistently and without bias in regard to race, color, sex, religion, national origin, age, disability, sexual orientation, gender identity, marital status, or veteran status.

### Anti-Harassment Rules

Taco Bell is committed to providing a comfortable environment which is free from harassment of all kinds. Refrain from making sexual jokes, suggestive comments, innuendoes, touching someone in a manner they might not like, or making gestures of a sexual nature. Avoid making unwelcome or derogatory comments about a person’s race, ethnic background, age, disability, religion, sexual orientation, gender identity, marital status, or veteran status in which a person would likely find offensive. This includes stereotypical classifications or descriptions and jokes based upon such attributes. Your managers are strictly prohibited from requesting or requiring that you submit to a sexual relationship and may not discipline you for refusing such advances.

### Staying “Cool”

If someone upsets you give yourself time to cool down before you react. Express yourself in a calm and respectful way. Never act in anger, threaten others, use abusive language, fight or cause harm to a guest, co-worker, or supervisor.

### Be Dependable

Arrive at work every day you are scheduled, on time and ready to work. If for valid reason you can’t work a scheduled shift or will be late give your manager at least two hours advance notice so he or she can find someone to replace you. If you are working an opening shift keep calling the restaurant until you reach the manager. If you must leave your shift early get permission from the MIC. Consistent attendance is a critical expectation of your job

## Confidentiality

Employees and companies have a right to keep certain information private. This includes information about our food, sales, customer lists, and pricing information. In addition, information about your co-workers and Managers is private including home telephone numbers, addresses, and other personal information. This does not prohibit team members from disclosing or discussing personal confidential information with others, so long as team members do not come into possession of such information through access that they have as part of their formal company duties.

## Drugs and Alcohol

Arrive at work with a clear head sober and free from the effects of alcohol or drugs. You are not permitted to drink alcohol or use illegal drugs on company property and may not bring alcohol or illegal drugs to the restaurant. If you are taking a prescription drug that will limit your ability to do your job or which could be a safety hazard, tell your manager before you begin work. It may be best to avoid working while on such medication.

## Employment of Relatives

We urge you to tell your friends and family members how much you enjoy working at Taco Bell and to encourage them to come work for us too. However, Taco Bell does not believe that a manager should supervise a family member such as a husband, wife, brother, sister, son or daughter, parent or grandparent. If any of your supervisors is a relative let your manager or Area Coach know immediately.

## Company Records

When completing company records such as applications, timecards, financial, or cash handling records always provide information that is truthful, accurate, and complete. You should also verify the accuracy of your pay when you receive your pay stubs.

## Criminal Activity

Never break the law on or off company property. The commission of a felony, crime of dishonesty, or violent crime while you are employed with us will likely cause us to discharge you. If you are charged with a serious crime Taco Bell may suspend you without pay until the matter is resolved.

## Following Instructions

Follow all reasonable instructions given to you by a supervisor. ## Drug and Alcohol-Free Workplace

### Drug & Alcohol Policy, Testing Policy, and Employee Notice & Acknowledgement/Consent of Employer Testing Requirement:

COLCAL, INC. is committed to maintaining a safe and productive work environment that promotes both the health and the welfare of its employees and the public. The abuse of drugs and alcohol is incompatible with these goals. The primary purpose of this Policy is to ensure worksite safety and avoid drug and alcohol related work performance problems by striving for a drug and alcohol-free working environment. As an employer protection of our people, property, and the public is paramount. This Policy should be considered by all employees as a preventative policy rather than a punitive policy.

#### Company Policy:

It is the Policy of COLCAL to take all steps necessary to secure the safety of its employees and to minimize threats to the public safety by its employees during working hours. A major factor in both employee safety and public safety is substance abuse. The abuse of liquor and/or illegal drugs, on or off the job, affects job performance. All employees of COLCAL should be made aware of the following policy guidelines regarding drug and alcohol abuse:

1. The use, sale, purchase, transfer, possession, or storage of illegal drugs or alcohol while in the course or scope of employment within COLCAL or on COLCAL property are prohibited. Reporting to work under the influence of drugs or alcohol is also prohibited. Compliance with this Policy is a condition of continued employment and non-compliance shall be grounds for disciplinary action which could include immediate dismissal. No alcoholic beverages will be brought onto or consumed on COLCAL premises or COLCAL activities except when approved by management in connection with COLCAL authorized events.
2. Employees who have illegal drugs or alcohol in their systems or who possess or consume illegal drugs or alcohol on the job have the potential for interfering with their own as well as their co-workers' safe and efficient job performance. Employees who violate these rules will be subject to disciplinary action up to and including termination of employment. A positive drug or alcohol test is considered proof that the employee is in violation of this policy. The use of marijuana, even with a medical marijuana card, is not conducive to a restaurant's safety sensitive nature and remains a violation of Federal Law and accordingly such conduct violates this policy.
3. Off-the-job illegal drug use is proper cause for disciplinary action up to and including termination of employment.
4. Employees who are convicted of offenses involving illegal drugs or alcohol may be in violation of this Policy. In deciding what action to take management will take into consideration the nature of the charges, the employee's present job assignment, the employee's record with COLCAL, and other factors relative to the impact of the employee's arrest upon the conduct of COLCAL business.
5. Employees taking prescription medications that could adversely affect safe work performance should report any work restrictions promptly to their supervisor or someone in authority with COLCAL. Generally speaking, the employee need not reveal the name of the medication or the reason for which it is used. The use of prescription medications pursuant to a prescribed medical treatment program is naturally not grounds for disciplinary action although it is important for COLCAL to be aware of such use in order to take safety precautions.
6. For purposes of this Policy, "drugs" shall refer to all drugs the possession or use of which are illegal under federal, state, or local law including but not limited to marijuana, hashish, heroin, cocaine, hallucinogens, depressants, stimulants, illegal inhalants, and any other drug not prescribed for current personal treatment by a physician. Alcohol is also considered a drug for purposes of this Policy.

#### Notice of Employers Testing Requirements:

This is to inform you that COLCAL dba Taco Bell conducts for-cause and post-accident testing to identify employees who may be abusing drugs and/or alcohol. A copy of COLCAL policy on this matter is on the reverse side of this form and available in the Answer System Book 6 – Policies & Procedures located in your store. Copies will be given to you upon request. You have the right to refuse to undergo testing. However, the consequences of refusal to undergo testing or a refusal to cooperate in testing will result in disciplinary actions up to and including termination. An employee who fails a test will be subject to disciplinary action up to and including discharge. The use of marijuana even with a medical marijuana card is not conducive to a restaurant's safety sensitive nature and remains a violation of Federal Law and accordingly, such conduct violates this policy. Remaining drug and alcohol free and participation in COLCAL drug and alcohol testing program is a condition of continued employment.

## Testing Policy:

As part of COLCAL on-going commitment to establishing a drug-free workplace beginning August 1, 2003, ColCal, Inc.'s Drug-Free Workplace Policy is in effect. The company reserves the right to administer a drug and/or alcohol test to any employee who, by actions and appearance, appears unfit for duty. Why should COLCAL be concerned about drug and alcohol abuse in the workplace? Federal experts report that between 6 and 12 percent of all US workers have used an illegal drug in the last month, 12 million Americans are alcoholics, and an astonishing 2 million are regular users of cocaine. Did you know that drug and alcohol abusers are:

- 2.5 times more likely to have absences of 3 days or more
- 3.6 times more likely to injure themselves or another employee in a workplace accident
- 5 times more likely to be involved in an accident off the job (which in turn affects attendance or performance on the job)
- 5 times more likely to file a workers' compensation claim
- Responsible for ½ of all on the job accidents

Being under the influence of drugs or alcohol on the job adversely affects not only the employee but co-workers and the customer. Not only is safety jeopardized but the product or

service can be affected due to low productivity, poor quality, and waste. Moreover, illegal drug and alcohol abuse exposes workers and customers to related criminal behavior such as drug dealing and theft. Employees have the right to work in a safe environment and the customer the right to receive maximum productivity, high quality, and minimum waste from employees. This requires competent and safe employees. Employees under the influence of drugs and alcohol are not competent and are just as ineffective and dangerous as a defective machine. It is the responsibility of this organization to provide an efficient, effective, and safe workplace for everyone. The use of marijuana even with a medical marijuana card is not conducive to a restaurant's safety sensitive nature and remains a violation of Federal Law and accordingly such conduct violates this policy.

Employees asked to submit to a drug and/or alcohol test will be tested by urinalysis and/or breath test for the presence of the following including but not limited to: alcohol, amphetamines, barbiturates, benzodiazepines, cocaine, marijuana, opiates, methadone, methaqualone, phencyclidine, and propoxyphene. Confirmation tests will be used to verify positive results and will utilize gas chromatography/mass spectrometry (GC/MS) to confirm the molecular structure of the substance detected. All employees who test positive will be offered the opportunity to discuss their test results in confidence and with a Medical Review officer (a medical professional with an expertise in toxicology) who will ensure that the test result reflects only the presence of illegal drugs or alcohol. A verified positive test result means a test result that was positive on the FDA-approved immunoassay test, confirmed by the GC/MS assay and reviewed and verified by the Medical Review Officer. All drug and alcohol testing information will be kept confidential with only authorized individuals who have a "need to know" having access to them and will be released only pursuant to law or when relevant to a claim or action brought by the employee.

An employee who refuses to be tested when so required will be considered insubordinate and subject to the full range of disciplinary action up to and including immediate dismissal. Attempts to alter or substitute the specimen provided will be deemed a refusal to take the drug test. Disciplinary action taken against an employee found to be using illegal drugs or under the influence of alcohol may include the full range of disciplinary action up to and including immediate dismissal. The severity of the action chosen will depend on the circumstances of each case. Intoxication may result in loss of workers' compensation benefits.

COLCAL will give the same consideration to employees with chemical dependency and alcohol problems as it does to employees having other health problems. Seeking assistance for such a problem prior to a positive test result will not jeopardize an employee's job whereas continuing problems with performance, attendance, or behavior will. Those employees seeking assistance should contact their Area Coach or Human Resource Manager.

## Employee Cash Handling Policy

As a Service Champion you are responsible for handling large sums of money. Due to the important nature of your job Taco Bell has created this Cash Register Policy for your protection and ours. Read this policy and discuss any questions you have with your manager.

### Prior to Your Shift

The money in your drawer must be counted prior to using the register to verify that the funds meet the drawer base operating fund amount (\$75.00 and currency). Use your verified register drawer **ONLY**. Do not permit anyone else to use your drawer and do not use anyone else's drawer. Ensure the drawer is completely closed after every transaction.

### When to Alert Your MIC

Any changes to an order that has already been paid must be made by the MIC. Inform the MIC if a guest has questions regarding their change. (i.e. "I gave you a \$20 bill and you gave me change for a \$10 bill. Can you give me correct change?")

### Making Change, Your Drop Box, and Personal Checks

When you need change, it can be made by the MIC from the operating fund in the safe. Or you may have another cashier make change from their drawer with management supervision only. Each Service Champion should deposit money from their drop box into the safe prior to rush, post rush, and every 2 hours. **DO NOT** accept personal checks.

### Accepting \$50 and \$100 Bills

When a customer presents a \$50 or \$100 bill and you do not have change in your drawer or drop box to break the bill, take it to the MIC to have them break it. If you have the money in your drawer or drop box to break the bill, excuse yourself from the guest and drop the bill into the Loomis safe. If the Loomis safe will not accept the bill, another form of payment should be requested from the customer. If the Loomis safe does accept the bill, take the receipt from the safe and place it in the cash register. The receipt is just like cash and needs to be kept secured in the drawer. Then return to the guest and break the bill out of cash from your drawer or drop box paying attention to the amount you give back. Count it back once to yourself, then back to the guest. The best practice is to count the money back to the guest then take it out of a \$20 or a smaller bill versus the whole \$50 or \$100.

### At the End of Your shift

To close out your drawer at the end of your shift, count the drawer back down to the original amount and drop the balance into the Loomis safe.

### Violations

It is a violation of company policy to undercharge or pass food across the counter without payment. Any such action may result in immediate termination and possible criminal charges. You may be subject to disciplinary action and/or termination if your drawer is more than \$10.00 over or short, if your drawer is more than 0.1% over or short, or if deletions exceed 3% in deletions of your register's gross sales.

Example: 0.1% Over/Short to sales Highest Acceptable Amount.						
Gross Sales	\$100	\$200	\$300	\$400	\$500	\$600
0.1% + or -	\$.10	\$.20	\$.30	\$.40	\$.50	\$.60

## The Make-Up Process

---

Customers are our friends, and we want to keep them! To retain our customers, we always apologize when we make a mistake. It's not about who's right or wrong, we want to make-up not break-up. At Taco Bell we are relentless when it comes to fixing what is wrong no matter the reason why. Following the Make-Up Process outlined below will help us to keep the friends we call customers.

1. **ANSWER:** When a customer comes to you with a problem, we want you to respond in a genuine way. A great go to response is "I understand \_\_\_\_\_ and I'd like to help by \_\_\_\_\_." For instance, "I understand you wanted your bean burrito with no onions and your burrito has onions on it, I'd like to help by making you another one the way you wanted it."
2. **FIX:** Simply remake the order or fix the problem and do it with a sense of urgency. Because customers are our friends, we believe them. We don't ask for a receipt or proof of what they are telling us. We just fix the problem, no questions asked.
3. **SURPRISE & DELIGHT:** When returning to the customer with their food the way they wanted it, always offer something extra for the inconvenience. Use a Make-Up Card for a free taco of their choice on their next visit. Make the customer want to come back because not only did you fix the problem, but you surprised and delighted them in the process.

Accepting Make-Up Cards: When the customer returns using a Make-Up Card, ring up the free taco using the Promo-Free button on the POS. Be sure to thank the customer for returning.

The Make-Up Process is designed to address just about every guest concern. If you encounter a guest that is not satisfied after you've used the Make-Up Process, ask a manager to become involved. Every team member is empowered to handle a guest concern. Using the Make-Up Process ensures every guest will be WOWED with how we handle their concern. It all boils down to treating every guest as you would treat a friend in the same situation, with respect letting them know someone cares when they do not receive what they wanted.

## Crew App Policy

---

The Crew App is intended to streamline scheduling by putting the schedule in everyone's pocket. No more driving to the work- place to find out when you work next. You can get shifts covered quickly and easily, pick up more hours if you so desire, and track or request time off. When using the Crew App, we ask that you adhere to the following:

1. If you are going to post a shift to be covered, please do so with a minimum of two hours' notice. The more notice you give the better the chances of getting your shift covered.
2. Once you post a shift it is still *your* shift until it has been accepted by another employee of similar skill set. (i.e., food champion to food champion, or service champion to service champion). If you are unable to get the shift covered and do not to report to work for the shift it will be considered an absence, if you do not call to inform management that you are unable to work the shift it will be considered a no call/no show.
3. The Crew App is to be used as a scheduling tool only. The message board will not be used to post anything other than shift coverage.
4. Employees are not required to use the crew app. Management must still post hard copies of schedules, etc. in the restaurant.
5. All Crew App information is confidential and is not to be shared with anyone who has not been granted usage by reading and signing this agreement.

## Integrity Policy

6. Report any person who is violating the Integrity Policies. Report any person requesting for you to violate the Integrity Policies.

Failure to follow these policies will result in an investigation and will include discipline up to and including termination. If there is an integrity issue the entire team will forfeit the VOC bonus pay out for the period. If there is more than one issue the team will forfeit the bonus for the entire quarter.

# New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved  
OMB No. 1210-0149  
(expires 5-31-2020)

## PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.<sup>1</sup>

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution –as well as your employee contribution to employer-offered coverage– is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact \_\_\_\_\_.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](http://HealthCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

<sup>1</sup> An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

## PART B: Information About Health Coverage Offered by Your Employer
