# Your Benefits

## Welcome to Open Enrollment

Your benefit plans have been designed to provide you with a comprehensive package that is responsive to all our employees' needs. This booklet is designed to help you navigate your benefits choices. The descriptions included in this summary are based on the documents that legally govern how the plans work. If there is any discrepancy between the descriptions in this summary and the controlling contracts or plan documents, the language in the controlling contracts or plan documents will govern. If you would like a copy of any of these documents, please contact your Human Resources department.

Our open enrollment period begins on December 1st and ends December 31st.

For purposes of these benefits, eligible family members include:

- Legally married spouse, common-law spouse, or domestic partner.
- Dependent children under 26 years of age or longer if deemed to be continuously disabled and incapable of self-support.

## Changing Your Benefits During the Year

The only other time you may change your coverage during the plan year is if you have a qualifying life event. You may change from one coverage type to another upon the occurrence of one of the qualifying events listed below, providing you apply for the change in coverage within 31 days of the qualifying event:

- Marriage, divorce, or legal separation
- Birth, adoption, placement, guardianship, or court-ordered coverage of a dependent child
- Death of your spouse or dependent
- Eligibility for Medicare
- Covered dependent is no longer eligible
- Covered employee's spouse or dependent gains or loses coverage due to his or her employment status or own employer's open enrollment

For a complete listing of qualified changes in status, see your local Payroll/Benefit Administrator. Changes to your benefits must be made within 31 days of the event and consistent with your status change.

EAP resources are available for free to you and your household family members [enrolled on the Cigna medical plan](#).

# Dental Insurance

The offered dental Plan through Delta Dental will allow you to choose any licensed dentist for care. However, you'll save more by using a dentist in the Delta Dental PPO Network. The PPO Network offers convenient access to highly rated dentists all across the country and savings on covered dental services. You can search for PPO Network dentists by going to [www.deltadentalco.com](http://www.deltadentalco.com).

## Why go in-network?

**Network dentists have agreed to reduce their fees for Delta Dental PPO customers.** They will also file claims for you, and they cannot "balance bill" you for the difference between their regular fees and the reduced fees they have agreed to accept from Delta Dental when you see an PPO provider for your preventative care services like cleanings, exams and routine x-rays at no additional cost. The table below is a high-level summary of the dental plan benefits. For a copy of your detailed summary of benefits contact Human Resources.

Network	PPO	Premier	Non-Network
<b>Deductible</b> (Individual/Family)		\$50/\$150	
<b>Annual Maximum</b>		\$1,500	
<b>Preventative Service</b>		100% ded. waived	
<b>Basic Services</b>		80% after deductible	
<b>Major Services</b>		50% after deductible	

**Right Start 4 Kids:** Removes cost barriers to dental care by providing coverage for children up to their 13<sup>th</sup> birthday at 100% coinsurance for diagnostic and preventative, basic, and major services, with no deductible, when in-network providers are seen. \*If an out-of-network provider is seen, the adult coinsurance levels will apply. Orthodontic services are not eligible for the RS4K 100% coverage level.

If you do not see a PPO provider, and your provider charges more than the PPO provider's Allowable Fee, you will be responsible for the excess charges. If you see a Premier Provider, you will be responsible for the difference between the PPO provider's Allowable Fee and the fee from the Premier Maximum Plan Allowance (MPA). If you see a non-participating provider, you will be responsible for the difference between the PPO provider's Allowable Fee and the full billed charges.

## Premium Assistance Under Medicaid Or The Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your State for more information on eligibility:**

# Paperwork Reduction Act Statement

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email [ebesa.opr@dol.gov](mailto:ebesa.opr@dol.gov) and reference the OMB Control Number 1210-0137.
